Sending a boy on a man's errand. It's no use being conservative when nothing but radical measures will suffice. It's no use cutting off the finger of the hand that can't be saved; better a good deal cut the hand off at once and be done with it. Does that give you an idea why we are making our new spring suits so low. It is simply that we have decided to make our goods at the beginning of the asseans. our goods at the beginning of the season at the lowest possible price and give our customers the benefit of it when they need the goods and not wan until the sea-son is over before we make a cut.
